Hon. Marlene Dortch
Secretary
Federal Communications Commission
445 12th Street S.W.
Washington, D C. 20554

Dear Ms. Dortch:

RE. MB Docket No. 02 277 (Omnibus Broadcast
Multiple Ownership Proceeding)

Pursuant to 47 CFR §1.1206, this will disclose that in connection with this permit-but-disclose proceeding, I met with Kenneth Ferree, Esq., Chief of the Media Bureau, on October 22, 2003 at 3:00 PM.

We discussed four matters on review in this docket: (1) the possible creation of a new class of medium power (e.g. 1,000 watt) FM stations designed to serve small communities; (2) the potential adoption of incentives to promote minority or disadvantaged broadcast ownership, (3) the Commission's repeal of the Failed Station Solicitation Rule, and (4) the impact of Grutter v. Bollinger, 123 S.Ct. 2325 (2003) on the FCC's racial diversity jurisprudence. The points I made concerning these matters were all drawn from our pending Petition for Reconsideration in this docket (filed September 4, 2003).

An original and two copies of this letter are being filed with the Secretary.

Sincerely,

A handwritten signature in black ink, appearing to be "David Honig".

David Honig
